

QSP's EZ Email Program

Attention Sacred Heart Alumni Go to QSP.COM to help Sacred Heart School

This program is important to our school as it funds enrichment programs and activities throughout the year. We would like to extend an easy online fundraising opportunity again to see if we can increase our school's participation this year. You can place magazine, music, CD and book orders online at QSP.COM. Whether it's a new or renewal subscription, our school EARNs 40% of the purchase price. Go to QSP.COM and help our school raise money right now. Keep in mind that magazines make great gifts, and please spread the word to friends and family via email. (See details below)

Value

Many different times throughout the year your subscriptions need to be renewed. By ordering magazines through our school you pay the same price, and 40% of your purchase benefits our school. If you order magazines from any other source, our school will not benefit. Please save your subscriptions for our school and spread the word that you can Easily Order Today!
