

2021 Annual Fund

Sacred Heart School

Angels Among Us

For over 70 years Sacred Heart School has been able to provide students with a strong foundation of lifelong excellence because of Angels like you. YOU know that investing in children by providing a good education is one of the best decisions that YOU can make. At Sacred Heart School we take pride in being able to provide an education that will last a lifetime. Outstanding education is the priority of our Catholic schools. Chances are you know someone who benefitted from this exceptional learning opportunity. You, yourself, may have experienced first-hand the strong foundation it provides to our students. If so, YOU know the tremendous value of this education.

As our students leave Sacred Heart, we hope that they will become Angels in their own communities. Blessing them in positive ways to help them grow in their own unique ways. Just like each and every one of you has been an Angel of support to SHS in your own unique ways.

Not all families get to choose the school they believe is best for their children, a place where they teach for a brighter future and encourage their students to go out in the world and do great things. Today we ask you to partner with us to continue investing in not only our children's future, but the future of SHS, so there will always be angels among us to help make the world a better place. Your gift supports children of all faiths who attend Sacred Heart School. We provide students the opportunity to learn in a safe environment that supports critical thinking, honesty, and a strong sense of community.

Each year, our Annual Fund helps to contain tuition increases, making Catholic education affordable to families in our community through tuition assistance, as well as funding many of the school's most pressing needs, such as technology in the classrooms, curricular enhancements, classroom supplies and equipment. Please help us continue to offer excellence in faith-based education and building hope for a brighter future by completing the enclosed Commitment Form and returning it with your tax-deductible donation today!

May God bless you, and His peace be upon you always.

Sincerely,

Mrs. Deborah Henry & Mrs. Lorie Torquato
Sacred Heart School Co-Directors
